

BATTERY POWER STATION ES-3000(WITH WELDING FUNCTION)

FEATURES:

1. Internal built-in 3848Whr 72V lithium ion battery power pack, meets the power supply needs of common power tools and other construction equipments.
2. Ultra-safe lithium battery, battery unit we are using CATL brand, supplier of BMW, VOLKSWAGON, TOYOTA, JAGUAR and VOLVO.
3. Heavy-duty design, output power 3500W(surge power 7000W), output voltage 230V(110V optional).
4. 4.0 Hours quick charging.
5. Intelligent, low-voltage automatically protection, with power indicator.
6. Perfect replacement for gasoline generators, optimized work environment, silent when working, energy saving and environmental protection.
7. Internal built-in welding system, output current 10-200A. Electrode 3.2mm can weld up to 68 pieces, electrode 4.0mm can weld 42 pieces, electrode 5.0mm can weld 30 pieces, with functions ARC FORCE & HOT START.

SPECIFICATIONS

Model Number	ES-3000
Battery Capacity	3848Whr 72V
Charging Time	4.0 Hours
Input Charging Voltage	AC230V, 50/60Hz(110V Optional)
Output Voltage	AC230V, 50/60Hz(110V Optional)
Output Power	3.0KW
Welding Current Range	10-200A
Suitable Electrode	1.6mm-5.0mm
Life Cycles	More than 8 years
Operating Usage Temperature	-10 °C~40 °C
Charging environment temperature	0 °C~40 °C
Ambient storage temperature	0 °C~40 °C
Warranty	12 Months
Net Weight	51.0kg
Dimension	59*47*53cm
What it powers	
Electrode dia 2.5mm	137 pieces
Electrode dia 3.2mm	68 pieces
Electrode dia 4.0mm	42 pieces
Electrode dia 5.0mm	30 pieces
Demolition Hammer 1800W	8.3 hours

Rotary Hammer 14mm drill bits	2290 Holes
Computer	32 Hours
42 Inch Television	39.4 Hours

PRICE & GENERAL BUSINESS TERMS

Price, FOB Shanghai	
Delivery Time	45 Days(OEM brand)
Minimum Order Quantity	30 Pieces
Payment Terms	50% Prepayment, 50% balanced payment before order shipping
Warranty	12 Months(During warranty period, we will afford the spare parts and air freight cost via DHL, except for human factors)
